

Beware! Always use the right channel for your conversation. Make the distinction between:

Traffic channel = Ch 11. (Mandatory notifications before departure or shifting / seafaring stories).

Radar channel = (Navigatie assistentie / radar informatie).

Port Operations = Ch 14. (All vessels should report to obtain permission/exemption for executing activities.).

Shipping broadcast-alternative channel= Ch 19. (All marine shipping and other shipping is advised to maintain a listening watch on VHF 19 when berthed, and when wind speeds of 8 Beaufort or more are expected, weather forecasts will be issued 10 minutes before each full hour.).
